Principal 's address

Dear Teachers, Students, and Parents,

As we approach the close of another fruitful academic year, it fills me with immense joy and pride to reflect on the hard work, commitment, and enthusiasm that have defined our school community. The coming weeks mark two significant events in our school calendar — the periodic examinations and the much-awaited Annual Sports Meet.

To our dear students, I urge you to approach your examinations with confidence and determination. Exams are not just a test of memory but a reflection of your growth, perseverance, and understanding. Remember, success is not measured merely by marks, but by the effort and sincerity you put into your preparation. Stay calm, manage your time wisely, and trust in the knowledge you have gained throughout the year.

To our teachers, I extend my heartfelt appreciation for your unwavering dedication. Your tireless efforts in shaping young minds, nurturing their curiosity, and instilling in them values of discipline and diligence are truly commendable. As examinations and the sports meet approach, your guidance continues to be the pillar of strength for our students.

To our parents, I express my gratitude for your continued support and trust. Your cooperation and encouragement play a vital role in your child's success. Please continue to motivate them, ensuring a balanced approach — where academics and co-curricular activities go hand in hand.

The Annual Sports Meet is another special occasion that celebrates teamwork, discipline, and the spirit of healthy competition. Sports teach us invaluable life lessons — perseverance in the face of challenges, respect for others, and joy in participation. Let us come together to cheer for our young athletes and celebrate their talents and sportsmanship.

As we look ahead, let us continue to work together to create an environment where every student can excel — in mind, body, and spirit. May God bless each one of you with strength, wisdom, and success in all your endeavors.

With warm regards and best wishes,

Principal

Vice principal's address

Dear Parents, Students, and Well-wishers,

It is with immense pride that I reflect on the growth of DMI ST JOSEPH GLOBAL SCHOOL. Established in 2017, our institution has blossomed into a supportive learning environment focused on nurturing individual potential and building a responsible society. Our Existence here has been a journey of twists and turns. Through these experiences, It is realized that **difficulties help us unlock our hidden potential and make life meaningful.**

As we approach the **9th year**, we are deeply honoured to be part of this significant **MOMENT**. We are committed to passionately discharging our responsibilities and continuing our focus on every student's **character formation and personality development.**

Our success is powered by the constant support and selfless interest of our **esteemed parents, benefactors, and well-wishers**, to whom I extend my sincerest gratitude.

This newsletter serves to commemorate our school's influence. Thank you to all contributors who have made it such a memorable piece for this special year.

Guided by the motto **“FULLY HUMAN AND FULLY ALIVE,”** we strive to remain a centre of excellence, providing **holistic education** aligned with modern trends. It is with pride that I affirm DMI ST JOSEPH GLOBAL SCHOOL, Chomoukedima, has become the **leading CBSE school in this region.**

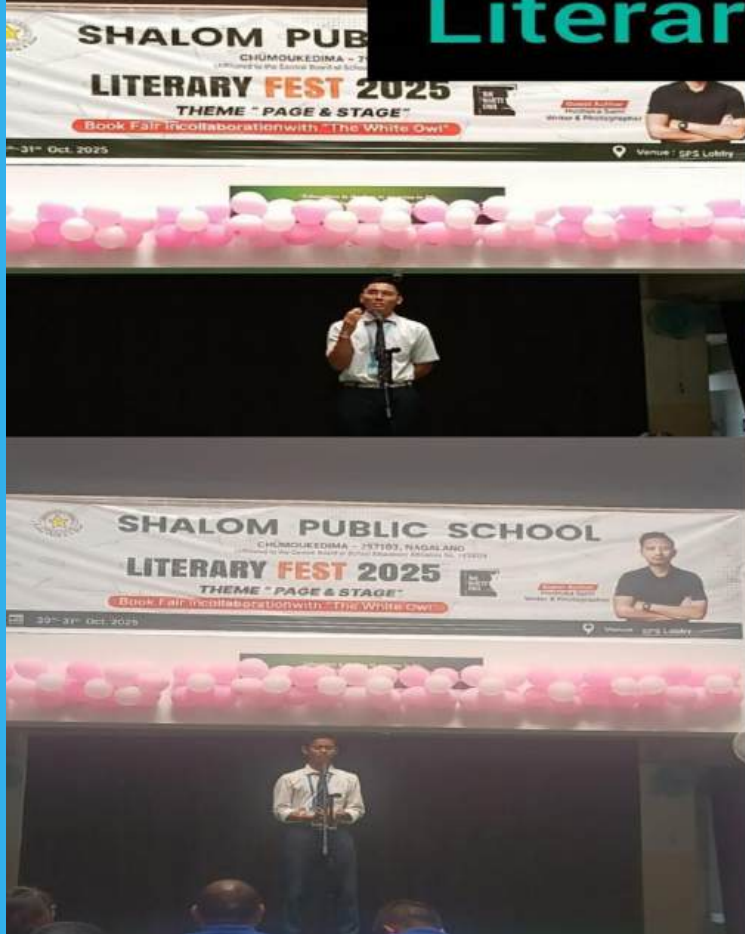

This achievement is a result of **visionary planning** and the **collaborative efforts** of all stakeholders, ensuring our students are equipped to be lifelong learners and future leaders. May God bless us all as we continue this journey together.

PRINCE VARGHESE
The Vice-Principal

Literary Fest

Literary Fest

The Literary Fest 2025 was held at Shalom Public School with great enthusiasm and participation. A total of 13 students took part in various literary events such as essay writing, debate, extempore speech, and poetry slam.

The competition provided a wonderful platform for students to showcase their linguistic and creative talents. Among the participants, Merhiile of Grade 7 brought laurels to the school by securing the 1st position in essay writing, while Rebecca of Grade 5 bagged the 2nd position in the same category. In the poetry slam, Keno of Grade 10 impressed the judges and won the 2nd position. Yetoka of Grade 10 also made the school proud by securing the 3rd position in the extempore speech event.

The fest was a resounding success, highlighting the students' confidence, creativity, and command over language. The Principal and the organizing school congratulated all the participants and winners for their commendable efforts and encouraged them to continue nurturing their literary skills.

Report on Visit to Education Fair

A group of 26 Science students from Grades XI and XII, accompanied by four Science faculty members, visited the Education Fair held at Referral Hospital, 4th Mile, Dimapur, from 10:00 a.m. to 12:00 p.m.

Students from various CBSE schools of Dimapur also participated. The event began with an introduction to different paramedical courses such as Medical Laboratory Technology, Radiology, Operation Theatre Technology, Physiotherapy, and Optometry.

Students later visited various stalls showcasing demonstrations on blood dialysis machines, CPR, blood withdrawal, and physiotherapy techniques. They also took part in fun medical science quizzes and won prizes.

The visit provided valuable exposure to paramedical fields and was both informative and engaging. Students returned to school by 12:30 p.m.

Below is the attached file containing all the photos and videos of the students' visit to the Education fair.

Multi Disciplinary Exhibition

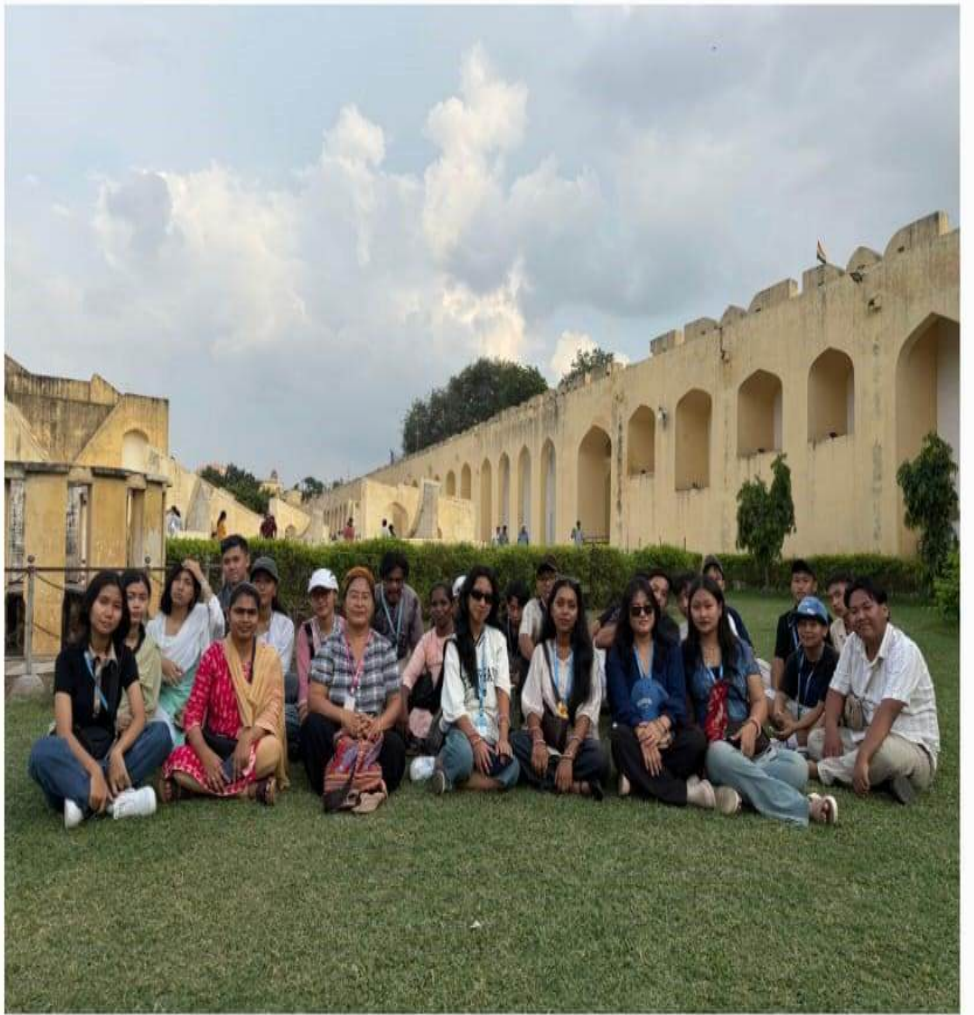

Dmi St. Joseph Global School conducted a Multi-Disciplinary Exhibition on 10 October 2025 in the school premises. Rev. Nelson MMI, Transport Manager, offered special prayers for the success of the event. Principal Sr. Rev. T. Rosa Mary inaugurated the exhibition by cutting the ribbon and officially declaring it open. Students from Grades 3 to 12 enthusiastically prepared a variety of working models and creative displays, showcasing their innovation, dedication, and hard work. Apart from the Physics, Chemistry, and Biology departments, other disciplines such as English, Social Science, Information Technology, and Hindi also presented remarkable exhibits.

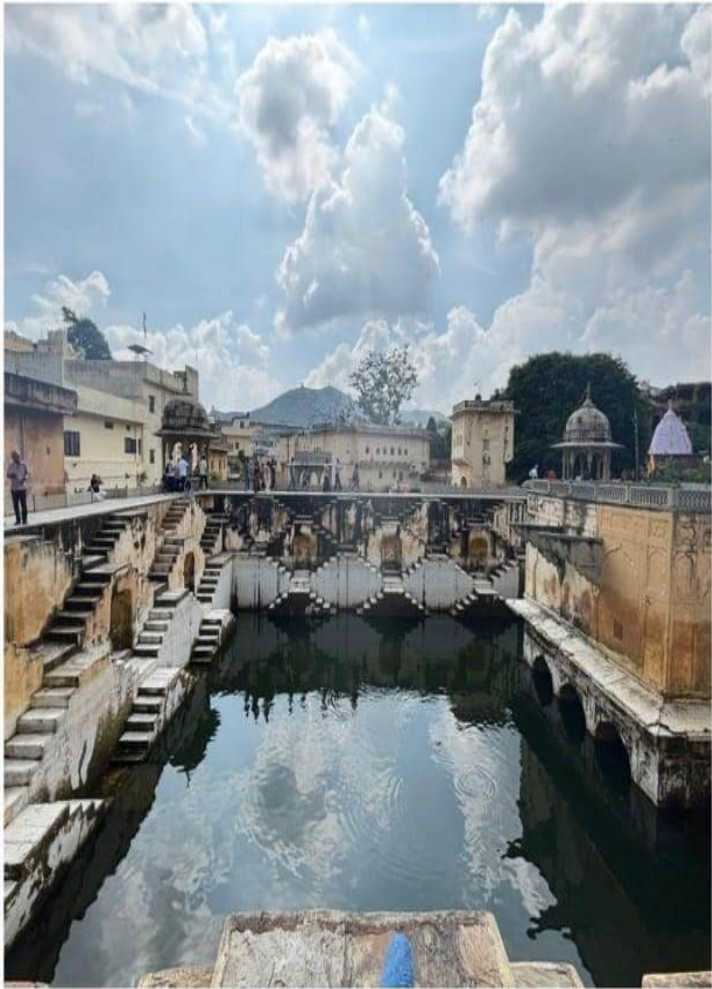

The event was evaluated by the distinguished jury members — Mr. Inchemeren, Miss Lulu, and Miss Yerto, Research Scholars from St. Joseph University, who appreciated the students' creativity and presentation skills. The students actively managed their stalls, shared insights, and engaged visitors, thereby enriching their knowledge and inspiring curiosity among all attendees.

School Excursion to Jaipur, Agra, and Delhi

A group of 24 students, accompanied by three staff members, Sr. Saranya, the Bursar, and Rev. Sr. Victoria, the Campus Manager, embarked on an exciting educational excursion to Jaipur, Agra, and Delhi on 1st Oct till 7th October 2025. In Jaipur, the group explored the grandeur of the Pink City, visiting prominent landmarks such as the Amber Fort, Hawa Mahal, Jal Mahal, and a traditional block-printing factory. The students also enjoyed a memorable camel ride through the scenic surroundings. The journey continued to Agra, where the team admired the architectural brilliance of Humayun's Tomb, the world-renowned Taj Mahal, and several other historical sites that reflected the splendour of Mughal artistry. During the Delhi Darshan, the group visited the Indira Gandhi Memorial Museum, the Red Fort, Rashtrapati Bhavan, Jantar Mantar, Qutub Minar, India Gate, bustling Sarojini Nagar Market, and a few prominent city malls. The entire excursion proved to be an enriching and enlightening experience, offering the participants deep insights into India's glorious history, art, and culture.

Back To School

The school reopened after the semester-cum-Pooja break on 6th October. Students arrived that day with a somewhat lukewarm feeling, still wrapped in the lingering festive mood. However, their spirits were soon rekindled as they met their friends and eagerly shared delightful stories about the memorable days spent with their families.

PTI Report

The Parent-Teacher Interaction (PTI) was conducted on 11 October 2025 for all grades. A large number of parents attended the session, making it a successful and meaningful exchange. During the one-on-one meetings, class teachers discussed the overall development and academic progress of each student. They also highlighted specific areas where parental intervention and support are essential to further strengthen the bond among parents, teachers, and students. The interaction fostered constructive dialogue and reinforced the shared commitment toward the holistic growth of learners.

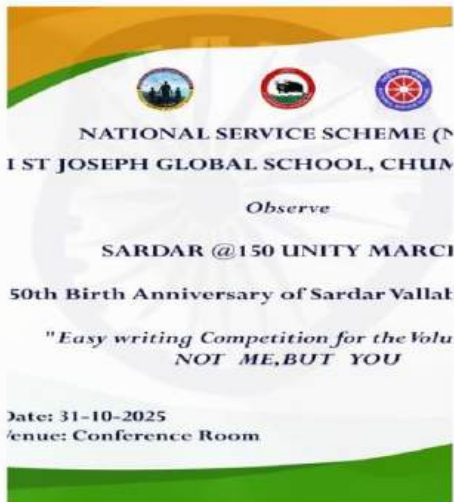

DISTO Scholarship Examination

GRADE 12 SCIENCE SCHOLARSHIP EXAM 2025-26

The DISTO Scholarship Examination was conducted on 13th October 2025. The evaluation process was carried out using OMR sheets, covering the prescribed portions of Term I. The examination was organized by DFT, involving all the schools under its management. Students from Grades VI to IX actively participated in this academic event, demonstrating their knowledge and competitive spirit, the proceedings was monitored by Mr.Prince Varghese, the VP of Dmi St.Joseph Global School .

Essay Competition

An Essay Competition was organized on 16 October 2025 on a house-wise basis, with two participants representing each house. The event was divided into four categories according to classes and themes:

Grades 3 to 5: My Village / Town Festivals

Grades 6 and 7: If I Were a Teacher in My School for a Day, What Would I Teach?

Grades 9 and 10: How Much Am I Influenced by My Teacher?

Grades 11 and 12: Is Digital Learning a Gift or a Challenge for Students in Nagaland?

The students showed remarkable creativity and insight in their writing. Their essays served as an eye-opener, revealing the hidden realities and thoughts that often remain unspoken yet profoundly felt within young minds.

REPORT ON CEDOK

DMI St. Joseph Global School participated in CEDOK, held at St. Joseph Higher Secondary School, Chümoukedima. Two Physical Education teachers accompanied a team of 18 enthusiastic students to the event.

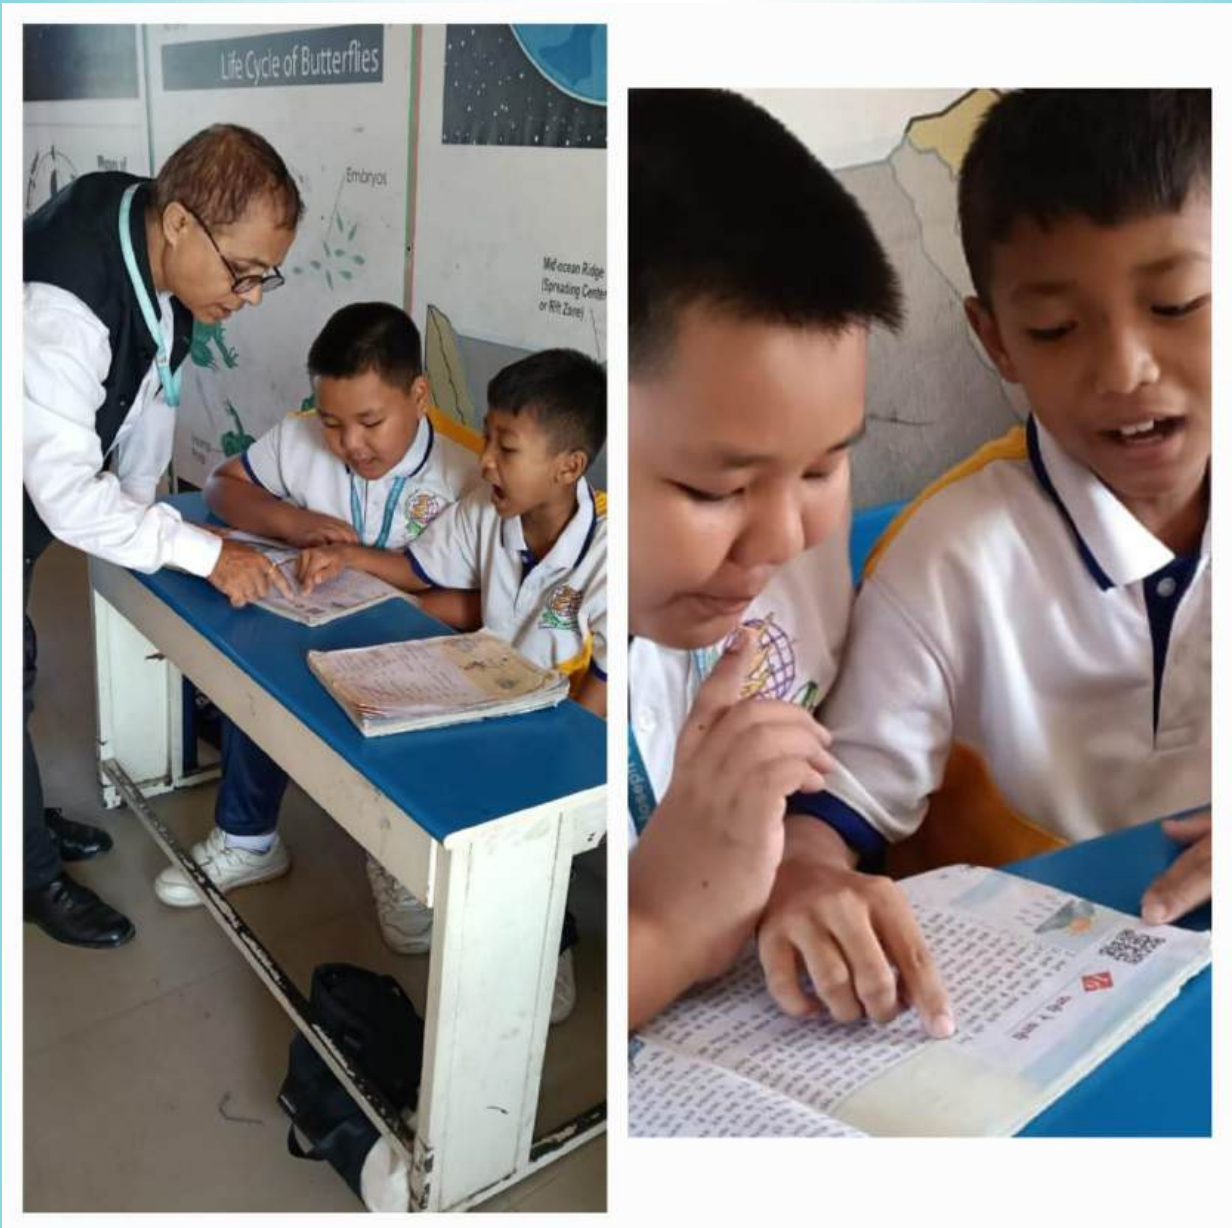

The participants took part in various track and field events as well as in the arm-wrestling competition. The students displayed great enthusiasm, focus, and hard work throughout the competition. Although the final results were a bittersweet experience, the event provided valuable exposure and learning for all the participants.

Selection cum Pre-Board 1

The examination commenced on 27th October till 3rd November . The selection cum Pre-Board 1 examination covers 30 percent of the total syllabus, with question papers set uniformly for all public aspiring students of Grade 10 and 12, under DFT and more than 30,000 students from the establishment participated, enabling the students to prepare effectively by practicing with various board-style question papers.

Remedial Class with Mr. Sharma

Mr. Sharma, the Hindi and Sanskrit teacher, initiated remedial classes to help students clarify their doubts and strengthen their grasp of the subjects, as students find it difficult to understand, since it sounds different from that of the language they study. Through step-by-step analysis of sentences, he guided the learners to overcome language difficulties. The classes were purely voluntary, reflecting his dedication to helping young students build confidence, improve adaptability, and enhance their vocabulary in Hindi and Sanskrit.

Work Education Classes

Work Education classes were conducted with various grades on meaningful and skill-based themes that promote holistic learning beyond textbooks.

Grade IV students participated in a session on Table Etiquette under the guidance of Miss Kugha, where they learned the importance of good manners and proper dining behavior. Grade VIII engaged in Cleaning and Arranging the Classroom with Ma'am Asha, fostering a sense of responsibility and teamwork. Grade IX took part in a Work Lab activity led by Ma'am Zulu, which encouraged hands-on learning and creativity. In the senior section,

Grade XI (PCBM) students discussed Components and Their Applications in Physics in Daily Life with Sir Alam, helping them connect scientific concepts with practical usage.

Meanwhile, Grade XI (Arts) students, under Ma'am Khrienuo, undertook Clearing Weeds to Promote the Healthy Growth of Fruit Plants, emphasizing environmental care and sustainable practices.

Through these activities, students realized the importance of applying their knowledge to real-life situations. Work Education thus nurtures responsibility, critical thinking, and social awareness, enhancing comprehensive and experiential learning beyond the classroom.

SWIMMING CLASS TILL WINTER'S WILLOW FALLS

Throughout the academic session, swimming classes were conducted by allotting two periods each day under the supervision of the PET teacher, Sir Ruovilie. The preparatory class and subsequent levels were taught the fundamental techniques of swimming. Students were instructed to wear appropriate swimwear and safety gear and to strictly follow the guidelines given by the concerned Physical Education teacher. They thoroughly enjoyed their time in the pool, splashing water with their water wings and practicing under the watchful care of the lifeguards.

A Recount of a visit to Fire Station

Students of Grades VIII and XI, under the supervision of their class teachers, visited the Firefighter Department in Chümoukedima. The Officer-in-Charge highlighted the significance of the equipment used in firefighting operations and demonstrated their functions. He further explained that even electrical wires from reputed brands have a limited lifespan, and therefore, advised the students to be cautious and mindful about the maintenance of household wiring to prevent potential hazards.

Inter-House Hindi Kavita Recitation Competition

The Inter-House Hindi Kavita Recitation Competition was conducted with great enthusiasm. Two students from each house were selected by the House Animators to represent their respective houses in the event. The competition was divided into five categories according to grade levels and line specifications as follows:

Tiny Tots – Grades I and II: 4 lines

Sub Juniors – Grades III to V: 6 lines

Juniors – Grades VI to VIII: 8 lines

Seniors – Grades IX and X: 12 lines

Super Seniors – Grades XI and XII: 16 lines.

Each participant recited their poem with confidence, expressive voice modulation, and perfect pronunciation. The competition created a vibrant atmosphere filled with poetic rhythm and youthful energy as every contestant performed with zeal and dedication.

INTER-HOUSE SYNCHRONISED DANCE COMPETITION

The Inter-House Synchronised Dance Competition was held in the school auditorium, showcasing the rhythm, unity, and creativity of the students. The event was divided into three categories

Sub-Juniors: Grades I to V

Juniors: Grades VI and VII

Seniors: Grades IX and XI

Each group was allotted three minutes to perform. The distinguished judges for the competition were Ms. Toshi and Ms. Zulu. The performance format was uniquely designed — a partition was placed between the two performing sides, requiring participants to coordinate their moves without direct visual contact. As a result, the synchronization was visible only to the audience, adding an element of surprise and artistic challenge. Students of Grades X and XII, having just completed their Pre-Board examinations, were given a well-deserved break and enjoyed the Programme as enthusiastic spectators. The Principal ,Rev Sr.T. Rosa Mary encouraged students to never shy away from opportunities to perform and to embrace every platform for self-expression and confidence building. The sound system was efficiently managed by Mr. Dicham, while the event was smoothly moderated by Ms. Khrienuo under the watchful supervision of the Vice Principal, Mr. Prince Varghese. The competition concluded with applause and appreciation for the participants' creativity, coordination, and team spirit.

MELOMANIA AT HOPE ACADEMY

The school participated in the Melomania Music Competition held at Hope Academy on 25th October 2025. A group of seven students, accompanied by 4 teachers including the Vice Principal, accompanied the school at the event. The team presented two melodious songs that were warmly received by the audience, filling the atmosphere with a delightful musical aura. Although the winning trophy went to another school, our participants showcased remarkable talent and enthusiasm, making the experience truly memorable and enriching.

Food Carnival

The Food Carnival was organized on 25th October aimed primarily to extend support to underprivileged people. All grades participated enthusiastically in the event. However, Grades X and XII were exempted from setting up food stalls as they were engaged in preparations for their upcoming Pre-Board cum Selection Examinations. Instead, they were allowed to manage game stalls, ensuring their active involvement in the celebration.

The program was officially inaugurated by the Principal, Sr., in the presence of the Vice Principal and scholars from the University, who graciously formed the jury for the Carnival. The air was filled with the enticing aroma of diverse cuisines, creating a vibrant and festive atmosphere. Through their participation, students gained hands-on experience in business transactions, teamwork, customer interaction and above all learned to be more human in their approach towards others.
